## SCHEDULE OF VOLUNTARY CONTRIBUTIONS AND CHARGES FOR 2017

Dear Parents

### School Voluntary Contributions and Charges 2017

The Mullaloo Heights School Board has endorsed this Schedule of *Voluntary Contributions and Charges* for 2017. The schedule is broken into sections allowing you to calculate costs that you might incur during the 2017 school year.

#### 1. VOLUNTARY CONTRIBUTIONS

The total amount of voluntary **contributions** parents and carers are being asked to pay at Mullaloo Heights PS in 2017 is **\$60.00** for each child from Kindergarten through to Year 6. This amount is consistent with the amount set in the School Education Regulations 2000.

All families are asked to give priority to the payment of this amount early in the 2017 school year. The contributions are budgeted for and used to purchase extra equipment for **all children** to use.

Money collected will be used to provide additional items for your son or daughter's learning activities and programs. The quality of your son or daughter's learning program will be enhanced when your family makes its contribution to this supplementary funding.

**Please pay the above amount at the beginning of the new school year**

#### 2. CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated **charges** for your child's participation in incursions, excursions and activities for 2017 has been included in the schedule below. Detail on charges collected in previous years has helped determine our 2017 charges schedule. **Students will only incur costs when they are involved in a particular activity.**

The amounts indicated on the schedule represent the **maximum** charged for scheduled activities in 2017. The actual amounts to pay may well be less than those shown. As in the past, you will be asked to make payment for each activity as it approaches. Do not pay these amounts until requested. Please note that these charges are consistent with those already paid by parents in previous years
