SCHOOL VOLUNTARY CONTRIBUTIONS AND CHARGES FOR 2020

Dear Parents

The Mullaloo Heights School Board has endorsed this Schedule of *Voluntary Contributions and Charges* for 2020. The schedule is broken into sections allowing you to calculate costs that you might incur during the 2020 school year.

K-6 VOLUNTARY CONTRIBUTIONS

The total amount of voluntary **contributions** parents and carers are being asked to pay at Mullaloo Heights PS in 2020 is **\$60.00** for each child from Kindergarten through to Year 6. This amount is consistent with the amount set in the School Education Regulations 2000.

Money collected will be used to provide additional items for your child's learning activities and programs. The quality of your child's learning program will be enhanced when your family makes its contribution to this supplementary funding.

All families are asked to give priority to the payment of this amount early in the 2020 school year. The contributions are budgeted for and used to purchase extra equipment for all children to use.

K-6 CHARGES FOR EXTRA COST OPTIONAL COMPONENTS

A breakdown of estimated **charges** for your child's participation in incursions, excursions and activities for 2020 has been included in the schedule below. Detail on charges collected in previous years has helped determine our 2020 charges schedule. **Students will only incur costs when they are involved in a particular activity.**

The amounts indicated on the schedule represent the **maximum** charged for scheduled activities in 2020. The actual amounts to pay may well be less than those shown. **As in the past, you will be asked to make payment for each activity as it approaches. Do not pay these amounts until requested.** Please note that these charges are consistent with those already paid by parents in previous years.

The **charges** schedule includes costs associated with:

- specific learning activities that are available to **selected** students, but conditional on a payment being made, eg; PEAC, Competitions, SIM (School Instrumental Music).

NB (1) Students only incur a cost when they participate in the activity.

NB (2) Attendance at PEAC activities incurs costs which are not set by the school.

ITEMS FOR PERSONAL USE IN THE EDUCATIONAL PROGRAM

Each student is required to purchase items for personal use in the classroom. Items and quantities are listed in the Personal Use Items List for each respective year level.

We have negotiated competitive prices for the materials on the list but you are not obliged to use our supplier. Your child will need to have the listed materials each school day so it will be necessary to replace some items, such as pencils, throughout the year.

OTHER FUNDRAISING COSTS

P&C voluntary contributions \$20 per child or \$35 per family.

Thank you
