

Mullaloo Heights Primary School

Faction Cross Country

Friday, 10th June, 2016

Approx 9.00am – 10.50am on the School Oval

Dear Parents/Guardians

The Cross Country Competition will be held at our school on Friday, 10th June, 2016.

All students from Pre-Primary to Year 6 will participate in this competition. All students are awarded points for their faction for the event regardless of where they finish. The cross country event is the first of our faction carnivals, with the others being held in term 3 and 4.

Events will commence at 9.00am (weather permitting) with the programme set out below. It is not possible to give exact times of events. However, approximately 6 to 10 minutes is allowed for each race.

We look forward to this event and hope that as many parents as possible are able to join in supporting and encouraging all the participants. Students are encouraged to wear their faction colours.

Regards
