New Student Leaders
In line with national and international trends, it’s been a week of elections at Mullaloo Heights. Students have elected captains for each faction and new councillors for Semester 2. Each candidate outlined reasons why they should be elected before votes were cast. Their speeches were well prepared and clearly articulated. They had clearly put a lot of thought and effort into their bid which reflects the status of our leadership program. All students in Year 3-6 voted and our new faction captains and councillors for Semester 2 were democratically elected. Well done to our successful candidates.

Thank you to our Semester 1 councillors, Yves-Monique, Ty, Elouise and Tom. They have done an amazing job organising assemblies and sports equipment, as well as numerous small jobs to assist teachers and other staff. We will still be calling on their excellent organisational skills at times throughout the rest of the year.

Lightning carnival
Once again, our students demonstrated what a great school Mullaloo Heights is at the recent Lightning carnival. A number of students in Year 3-6 were selected to compete against local schools in netball, soccer and football. Our students did extremely well, with our netball A team gaining first place. However, what was more impressive were the values clearly displayed by all students throughout the tournament. Respect for adults, sportsmanship, determination and effort, even when not winning, were demonstrated at all times. It is our students’ positive attitude and outstanding behaviour, particularly at outside events, that makes teaching here such a pleasure. All teachers will agree, it’s the best reward for their hard work.

Room 11 Assembly
An entertaining assembly from Room 11 kept us chuckling last week. It was great to see the students working together to present a typical day in the life of a student. We thoroughly enjoyed watching the presentation, but not half as much as they enjoyed performing.

Periwinkle Planting
Mullaloo Heights is known for its commitment to environmental sustainability. As a result, when we were invited to help in the rejuvenation of Periwinkle Park last week, we happily accepted. Buddy classes, Room 6 and 12 set off with trowels and gloves and spent Friday afternoon working with volunteers and rangers to plant new trees in the park. Not only did they have a great time working in the fresh air, but they also made a clear investment in the future of Periwinkle Park.
Environmental Garden
Talking of environmental awareness, some of you may have noticed that the environmental garden is slowly changing. Where the old chicken coop once lived, the groundwork for a new sensory garden is being laid. Once this is completed, plants and seats will be added to provide a quiet place for our students to sit, explore or read. We aim to have the garden ready by the end of Term 3. So make sure you watch it evolve.

Have a safe holiday
I’m sure we’re all looking forward to the fortnight break. It is certainly well deserved by students, staff and our numerous parent volunteers. Enjoy it, but keep safe. Students remember everything you have been told regarding stranger danger and road safety. Make sure you wear your helmet when cycling and be vigilant when crossing the road. We look forward to seeing you all back on Tuesday 19th July.

P&C Proposed Self Defence Class

We are looking at holding a Self-Defence Class at MHPS to help children be more confident when a challenging situation may arise. The presenter has vast experience with teaching these classes and will speak on the kid’s level. This class would be one hour and requires 1 adult to be present per child. We would be looking at holding this around the same time as Daniel Morcombe Day in the week beginning 24-28 October this year, with the view of making it an annual event. At this stage we are asking you if you would be interested in coming. Please click on the link below to register interest. We will put out more details later.
