Welcome to Mullaloo Heights Primary School, where we are committed to making a real difference to all of the children in our care.

Supported by a proactive community, our school provides a warm, caring and friendly environment in which each child is treated as an individual and supported to fulfil their unique potential.

We emphasise the explicit teaching of knowledge and skills, particularly literacy and numeracy, and our expectations of student progress are high. However, while academic achievement is a priority, we endeavour to develop the ‘whole child’ by ensuring our curriculum is broad and balanced.

We provide opportunities for cultural and sporting success and promote good citizenship through our values program. At Mullaloo Heights, we have created a supportive learning community where our students thrive. As a consequence, we encourage you to become an active partner in your child’s education and we hope you will take advantage of the many opportunities to volunteer in class, school or community events.

Please take the time to approach your child’s class teacher to find out more. We are sure you will enjoy your time at Mullaloo Heights and look forward to working with you and your child.

Best Wishes,

Caroline Booth.

West Coast Education Office
Mullaloo Heights Primary School is located in the North Metropolitan Education District. The Regional Director, together with the other district personnel, provides educational support to the school as required.

The Regional Office is located at Level 2, 1 Puccini Court, Stirling WA 6021.
Phone: 9285 3600 / Fax: 9285 3730
Mullaloo Heights Primary School is designated as a Local Intake School. The School Education Act 1999 guarantees a place for every child in the compulsory years of schooling (PP to Year 6) in their local school.

Enrolments
To enrol at Mullaloo Heights Primary School there are a number of eligibility requirements. These include:

- **Resident in the local intake area**
  The school has places for students who currently reside within the boundaries of the Mullaloo Primary School [detailed on the next page] local intake area as has been determined by the Department of Education. Parents of children not residing within the local intake are invited to complete an Expression of Interest form for consideration by the Principal. Eligibility for entry will be dependent upon positions available within the school. This is determined by the Principal factoring in future growth and the establishment of precedents.

- **Proof of address**
  Proof of address must be provided at the time of application with originals sighted. Acceptable proof of addresses include: Utility Bill, Council Rates Notice, Water Rates, Lease Agreement, Contract of Sale.

- **Age**
  A birth certificate or extract of birth or passport must accompany the application for enrolment. Students will be placed in the year of study corresponding to their age group. Please note that for Kindergarten entry, the child must turn four years of age on or before 30 June in the year of entry. Children who do not meet this requirement will not be accepted for enrolment.

- **Special Needs**
  Parents of students with special needs are asked to contact the school to discuss these needs when the application for enrolment has been approved to ensure that the most appropriate program is in place to meet the student’s needs.

- **Overseas Students**
  Students who were born overseas must hold the appropriate Visa before applying at the school. For overseas students who are in Australia using an entry Visa, it is necessary that the office sights the original passport and Visa, of the parent (primary Visa holder) and student at the time of application for enrolment.

- **Immunisation Records**
  The school must sight a copy of each student’s immunisation records at the time of application for enrolment. An updated copy of your child’s immunisation may be obtained by calling 1800 653 809 or online at [www.humanservices.gov.au](http://www.humanservices.gov.au).
Eligibility for enrolment – Kindergarten
The Department of Education’s selection process for places in Kindergarten and Pre-primary for local intake schools is as follows:

Local Intake Schools

1. Children living in the local-intake area of the school and with a sibling enrolled at the school for that year.
2. Children who live in the local-intake area of the school and does not have a sibling enrolled at the school for that year.
3. Children who live outside the local-intake area of the school and has a sibling enrolled at the school for that year.
4. Children who live outside the local-intake area of the school and who does not have a sibling enrolled at the school for that year.

NOTE: If there is more than one child in any of the above categories, priority will be given to children living closest to the school, measured in a straight line from place of residence to the school.

The following defines the local-intake area of this school;

MULLALOO HEIGHTS PRIMARY SCHOOL

The boundary for this school is as follows:
From the Indian Ocean south of the east-west alignment of Merrifield Place, due east to West Coast Highway, north along West Coast Highway to Mullaloo Drive, in a general easterly direction along Mullaloo Drive to Kallaroo Place, east along Kallaroo Place to Marmion Avenue, north along Marmion Avenue to Ocean Reef Road, west along Ocean Reef Road to the junction with the Indian Ocean.

The boundary part of Merrifield Place (both sides), West Coast Highway (both sides), Mullaloo Drive (north side), Marmion Avenue (west side), Ocean Reef Road (south side) and the boundary street of Kallaroo Place (north side), are included within the area for the Mullaloo Heights Primary School.

The following is an optional area between Mullaloo Heights Primary School and Heathridge Primary School: The locality of Ocean Reef.

For a detailed local intake map, follow the link below:

School Enrolment Guidelines
Enrolment involves completing an Application for Enrolment (Part A) form. On acceptance, parents fill in an Enrolment package (Part B) and show proof that the child is the correct age through a Birth Certificate or Birth Extract. An Immunisation Record must also be sighted. A parent or guardian must accompany the child and fill in the required forms.

Student Records
When a child is enrolled, information is required for the school records. Please ensure that any change of address, phone, emergency telephone number(s), and medical details are advised to the school by email; phone or a note to the school office.

Emergency Contact
It is important that a relative, friend, work mate or neighbour (someone you know) is shown as your Emergency Contact on the enrolment card.

When your child is sick, has an accident or requires urgent medical attention, every effort is made to contact the parent. If, for any reason, this is not possible, it is vital that we are able to contact someone else, to assist in the transport and care of your child. A student will not be released to someone not on the contact list unless prior confirmation with the school administration has been obtained.

**IT IS IN THE BEST INTEREST OF EVERY CHILD THAT AN EMERGENCY CONTACT BE SHOWN ON THE RECORDS.**

Attendance at School
Children must attend school regularly in order to make satisfactory progress with their learning.

The Education (General Provisions) Act 2006 states; Parents must ensure their child attends school every school day as required by their educational program unless the parent has a reasonable excuse.

If your child is absent from school, please notify the school by telephone (9401 2488) or by letter or via email (note, email address is on the contacts page), or via the school phone app, as soon as possible.

Collecting students during school hours
A student may leave the school grounds during school hours, provided he/she is collected by an authorised, responsible adult and the Student Release Book in the front office is signed. It is recommended that parents inform the class teacher the day before or on the morning prior to the student leaving.
School Assemblies and Special Programs
Assemblies are held on Thursdays at 8:45am, in the undercover area. Parents are welcome and encouraged to attend our assemblies which are run by students. A special ‘End of Year Presentation/Graduation Assembly is a school highlight.

Staff Meetings
Staff meetings during the year are held out of instructional hours.

Visits to the school by parents
Our School encourages parents to have contact with their child’s teacher. If you wish to avail yourself of the opportunity, please contact your child’s teacher so that an interview can be arranged at a mutually convenient time. Class routine cannot be interrupted by casual visits.

Parent participation
As Parents, you are encouraged to actively involve yourself in the life of your school. We try to create opportunities wherever practical.

Parent and Citizens Association (P&C)
The P&C meets regularly on the third Wednesday of each month. The Annual General Meeting is held in March. Meetings commence at 7.30pm and are held in our School Staff Room. Our P&C is affiliated with the W.A Council of State School Organizations (WACSSO). The association fosters parent interest in our school as well as providing additional funding to the school/student programs. Parents, friends and other community members are most welcome to attend and participate in meetings.

School Board
The School Board is formed with the fundamental purpose of enabling parents and members of the community to engage in activities that are in the best interest of the students and that will enhance the education provided by the school (As defined in the School Education Act 1999 and the School Education Regulations 2000).

Canteen
The P&C Association operates the canteen with the help of parent volunteers. Any parents wishing to volunteer their time and services to assist with the smooth running of the canteen are asked to contact Sam Moorhouse on 0423 938 394.

The use of school grounds/premises – Sporting/Community groups
The Education Department regulations state that school buildings and grounds are not to be used out of school hours, unless approved by the principal. Therefore, all students are to keep well clear of the school grounds after school hours. Groups or organisations wishing to use the school facilities must apply via the school administration.

School Banking
Teaching children the all-important skills of money management and saving when they’re young can empower them for success in the future. The School Banking initiative teaches valuable financial literacy skills that will last well beyond school life.

The School Banking Program also offers financial benefits for our school. No fees are associated with the accounts which are held with the Commonwealth Bank at Whitfords.

School Banking is held every Wednesday morning from 8.20am in the Undercover area. School Banking packs are available on Wednesday mornings.
Parking
The staff car park is for staff and visitors only. Parent parking bays are available on Charonia Road. ‘Kiss and Drive’ is available on Charonia Road, where by children can be quickly dropped off within a two minute time frame. This is not a parking area. Please note the ‘No Parking’ and ‘No Standing’ areas in Charonia Road. The school side of Natica Place may be considered as a suitable parking area. Please try to avoid parking opposite drive ways. In the interests of student safety, Parents are asked not to use the school staff car park for picking up or setting down children. The staff car park is our Emergency Access point also. This must be free to allow ambulances, fire trucks and other emergency vehicles entry at all times.
Languages (French)
French instruction is offered to all students in Years 2-6, with each class group attending weekly sessions.

The Language program aims to provide students with an introduction to a language other than English, building an awareness and appreciation of another culture as well as the opportunity to develop skills and understandings to communicate in another language.

PEAC (Primary Extension and Challenge)
Students are tested in Year 4 for eligibility to participate in enrichment and extension opportunities in Year 5 and 6. PEAC courses span many learning areas and are designed to extend students in their thinking and learning. Students generally attend one morning or afternoon session (off-site) per week.

Music
The school’s Music specialist teacher provides a comprehensive Music Program which includes drama and music education for all students from Year 1 to Year 6.

Children in Year 3 to Year 6 have the opportunity to join the School Choir. We are proud of our reputation for excellence in festivals such as ‘Children Sing’, ‘The WA Massed Choir Festival’ and the ‘Western Australian Government Schools Music Society’ concerts held at Burswood Theatre.

All children with skills in the Performing Arts are encouraged to take part in our special Talent Assemblies, which take place twice a year.

School of Instrumental Music (SIM)
Specialist music staff visits our school on a weekly basis to provide tuition to students who have gained entry to the SIM program. Students complete an aptitude assessment in Year 5 and upon selection may choose to play one of the two instruments: Clarinet or Flute. Students will pay only $110 which includes the cost of instrument hire and weekly music tuition. Students perform at school assemblies.

Crunch &Sip®
Each day, students need to bring fruit (or salad vegetables) to school to eat in the classroom at a set time. Each child also requires a bottle of water in the classroom to drink throughout the day to prevent dehydration. Students ‘re-fuel’ with fruit or vegetable during the morning, assisting in physical and mental performance and concentration in the classroom.

Through Crunch&Sip®, our school demonstrates our commitment to nutrition education in the classroom, by making links with the curriculum and creating a supportive school environment.

Environmental Garden
This is a special area in our school where our students go to plant and cultivate vegetables and fruit. Harvests are regular and fresh soup is regularly on the menu. The students also enjoy looking after our resident chickens and enjoy collecting the eggs. Visits to the garden are formal as part of the class curriculum and informal during recess and lunch.
Supplementary Education Activities
A diverse range of education and social development programs are conducted during the year that generally enrich and enhance our school’s curriculum.

Please refer to the Mullaloo Heights Primary School Schedule of Voluntary Contributions and Charges information sheet to determine the type of programs that may be offered each year and the maximum cost of participation. This sheet is distributed towards the end of each year with the information relating to the following school year. Copies are available from the front office and on our school website.

Class teachers will advise parents well in advance of any specific class visit or excursion that may be held on an individual class or combination of classes’ basis, and of the cost involved for each event. Such outings may occur on a one-per-term or one-per-semester basis and transport/entry costs vary per outing.

Library Resource Centre
Our School is fortunate in having a well equipped Library. Children are able to borrow a wide range of books for classroom use or to take home on loan for a week at a time. Children are required to have a cloth bag to carry these items to and from school. Our school has a librarian for two days per week and classes may use the library Monday to Friday.

Physical Education and Sport

In-term Swimming Lessons are arranged for all students from Pre Primary to Year 6. Classes are held at various times during the school year in school time. The only cost is for transport and admittance to the pool. Swimming is an integral part of the Physical Education Program and all students are required to participate.

Vacation Swimming is for all children age 5 and over, irrespective of their swimming ability and is held in the October and Christmas Vacations and at many local and holiday centres throughout the State. Please note that this is not organised by the school, but is coordinated by the same department that operates In-term swimming.

General Sport and Physical Education is part of the curriculum. It is policy that a note accompanies any child who cannot participate. Physical Education is regarded as important for general fitness and health and for students’ enjoyment and utilisation of leisure time.

Faction Competition is encouraged for activities throughout the school for incentive and reinforcement. Activities are designed to promote sportsmanship, enjoyment, team spirit and endeavour. The school has three factions: Gull (Red), Tern (Green) and Albatross (White). Family members are placed in the same faction. Allocation to a faction is done on admission.

Sporting Carnivals and special sporting days are advertised well ahead so that parents, family and friends can plan to watch the events.

School Psychologist
The School Psychologist visits the school weekly to assist with student/school issues. If you wish your child to see the School Psychologist, contact your child’s teacher or our Deputy Principal.

School YouthCARE Chaplain
The role of the chaplain at our school is to act as a reference point for students, staff and other member of the community on values, human relationships, health and wellbeing issues. To assist with critical incidents and crisis management, this includes providing support for grief, family crisis and other relationship situations. The Chaplain also provides a pastoral contact with students through support, listening and mentoring.
**Student Rights and Responsibilities**
There are school rules which apply in all situations organised by the school:

Students have the right to:
- Feel safe and happy
- Learn
- Be treated with respect
- Know their property is safe
- Work in a clean and tidy school

Students have the responsibility to:
- Make others feel safe and happy
- Help others learn
- Respect other people
- Respect and care for other people’s property
- Make sure we help to keep our school clean and tidy

Students may bring sporting equipment and toys from home for news, but not to play with at school due to their potential for damage, loss and behavioural issues.

**School Expectations**
- Students are only allowed in the classrooms when supervised by a teacher.
- No student is allowed to leave the school grounds without written permission from the school office.
- Footwear is to be worn at all times.
- School bucket hats are worn all year round when outside.
- Bicycles must be walked in and out of school grounds. Bicycles are stored in the biked racks located near the ECE area.
- Jewellery including bangles, necklaces, bracelets and long earrings are not permitted at school.
- Make up is not permitted on students whilst at school.
- Collar length hair is to be tied back.
- Chewing gum and bubble gum are not permitted at school.

**Parent/ School contact**
Any parent who feels concerned about a child’s progress or any other aspect of his/her schooling is invited to discuss the matter with the class teacher. However, in order that the school routine is not unduly interrupted, we ask that the following procedure be adopted:

1. **Discussion with Class Teacher** - Please endeavour not to interrupt class teaching routines. The best procedure is a note or an email to the teacher requesting a suitable time or to arrange an appointment by telephone. Teachers have specific non-teaching times in which appointments can be held.

2. **Discussion with the Deputy Principal or Principal** – After discussion with your child’s teacher, if you wish to discuss your child’s progress with our Deputy Principal or Principal, please telephone (if possible), write a note or email to make an appointment. Appointments outside school hours can be arranged. Please try to resolve the issue, as a courtesy, with the class teacher in the first instance.
Newsletters and Notes
The school newsletter is the principal means by which our school can communicate with all parents on matters concerning the school. The newsletter is distributed fortnightly via email on Thursdays, with all pamphlets, notices and special information sheets also sent home on this day. All correspondence is sent home with the eldest child in the family. Copies are always available via the school website. Please check that your emailing details are accurate at all times.

Facebook Guidelines and Protocols
The school maintains a closely monitored Facebook page that keeps us all in touch with school life. This Page is a place for people interested in the happenings at Mullaloo Heights Primary School. However, we do need to have certain guidelines and protocols. Please be aware that we reserve the right to remove any posting or other material that we find off-topic, inappropriate or objectionable. We trust that people who like our page will understand the reasons for this. Remember that many of the children who attend Mullaloo Heights PS do view the posts and pictures on the page.

1. We’d love you to 'like' and add positive comments on posts and pictures posted on our page. This encouragement and acknowledgement of wonderful things happening in our school community is valuable.

2. Please refrain from asking questions which are more appropriately addressed to the school administration. These can be asked during normal operating hours. e.g., “When will reports be sent home?” If something is a more personal concern or question and it is after hours, please use direct messaging to the Mullaloo Heights PS inbox on the Facebook page. This can only be viewed by administrators of the page.

3. We would love our community to feel a sense of camaraderie and to find genuine value in what we share on our page. If you feel something which does not meet these guidelines and protocols appears on the page, please make an appointment to see our Principal during operating hours.

We do not wish to see:
- Profane, defamatory, offensive or violent language
- “Trolling”, or posting deliberately disruptive statements meant to hijack comment threads or throw discussions off-track
- Personal promotion of businesses etc.
- Matters that require policy bared responses from the Principal

School Phone App.
The school has an app which can be downloaded free via iTunes or Google play, depending on your device. Search for Mullaloo Heights Primary School (Smart Link) to download. With this app, you will receive announcements from the school and from your child’s year group (once chosen in settings), newsletters and much more. There is also an easy way to notify the school if your child is absent, and a link to our school website.
**Student Material Requirements**

Most of these are provided by the school. Additional personal consumable items including pencils and rulers are expected to be provided by parents at varying times during the school year. A personal use items list for each year is published and distributed annually toward the end of the year, ready for the following school year.

**Voluntary Contributions and Charges**

Each year (or at the time of enrolment) parents are asked to assist the school with the Voluntary Contribution and Charges.

Each year, your contributions assist in the provision of text books, photocopy materials, delivery of curriculum area materials such as visual arts and science; musical instruments and the like and programs that the school can provide for all students. A breakdown of estimated charges for your child’s participation in incursions, excursions, activities for the year is included in the Schedule of Voluntary Contributions and Charges which is published and distributed annually. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the maximum charge for each scheduled activity for the year. The actual amounts to pay may well be less than those shown.

**Payment methods**

Fees and charges may be paid by:

- **Cash**: Payable at the School Office. Please do not send cash through the mail.
- **Cheque**: Cheques should be made payable to “Mullaloo Heights Primary School”
- **Credit/Debit Card**: Master Cards and Visa Cards are accepted (in person)
- **EFTPOS**: Facilities are available at the school office
- **Direct deposit**: Mullaloo Heights PS (MHPS)
  
  BSB: 066 040
  
  A/C No.: 19903178
  
  Please include your child’s name as reference.

(If, because of economic hardship, you cannot pay this all at once, please advise the school registrar).

**Homework**

Homework at Mullaloo Heights Primary School is designed to supplement, through revision, classroom learning outcomes and to foster parental involvement in their child’s education.

The following guidelines provide ideas for appropriate homework activities and suggested time allocations for each night (Monday-Thursday):

- **Year 1** – approximately 15 minutes shared (parent/child) reading time.
- **Years 2 and 3** – approximately 20 minutes reading, Maths activities, including Mathletics, spelling and completing any unfinished class work.
- **Years 4 and 5** – approximately 30 minutes reading, Maths activities, including Mathletics and completing any unfinished class work.
- **Years 6** – approximately 40 minutes reading, Maths activities, including Mathletics and completing any unfinished class work.

Students can access Mathletics (teachers can set tasks) and Literacy Pro websites; and borrow books from the library.

Homework is not enforceable by teachers (as mandated by the Education Department) and children cannot be punished for not completing homework.
Lost Property
Please ensure that all clothing and belongings are clearly named.
Clothing and large items that are found go directly into the Lost Property located on the bench outside the office. At the end of each term, there is a ‘Lost Property Parade’ in which all items are displayed for children and parents. Small items and money are handed into the school office for safe keeping.

We ask that valuable items such as jewellery, heirlooms, toys and sporting equipment are not brought to school.

Mobile Phones and other electronic devices
We understand it is essential for some students to have a mobile phone at school so parents may check in with their child before and after school. However, students are required to sign their mobile phones or any other electronic device they may bring to school into the office of a morning and then may collect them after school. All devices are kept in a locked room during school hours. The office is open at 8:15am each morning, for students to sign in their devices.

**A Student Mobile Phone Policy and Mobile Phone Request Form are available to download via the school website under ‘Our School’ Policies and Reports.**
General Policy and Organisation
The School Dress Code is developed by the School Board in consultation with staff, parents and students. All students are expected to meet dress requirements unless an exemption has been granted. The Principal may grant an exemption in exceptional circumstances on application from a parent.

The wearing of school uniforms will be compulsory for school excursions unless otherwise decided by class teachers or school Administration.

Dress Requirements
Adequate, closed in footwear to protect the feet must be worn by students at school. Sandals strapped to the feet are considered adequate.

A watch or Medic-Alert bracelet is permitted. Studs and sleepers (ear-rings) are permitted only. No long or dangly earrings or piercing.

Hats are an essential part of the uniform. Children are required to wear a hat during breaks and all outdoor activities in school throughout the year. Bucket or broad brimmed hats are to be worn. Baseball caps, beanies, visors are not considered appropriate. ‘No hat no play’ rule.

School Uniform Shop
Mullaloo Heights Primary School uniform is supplied by Uniform Concepts who have a superstore based in Joondalup. Their opening hours are:

</table>
We are a nut aware school
Some of our students have life threatening anaphylaxis reactions to nuts and as such, we are an ‘Allergy Aware’ school. We seek everyone’s support and cooperation to ensure products containing nuts are kept at home. Students eat recess and lunch as a group in the undercover area prior to moving outside for play breaks.

Illness
When a student presents to the office complaining and appearing to suffer illness, parents and/or emergency contact will be notified. For security reasons, parents and/or emergency contact are required to personally sign out their children on every occasion that students are collected prior to the end of normal school hours. A courtesy call will be made to inform parents of accidents that occur at school where in the opinion of the administration such call is warranted.

School Nurse
The school nurse visits the school periodically. Children are examined at intervals and parents are alerted to problems. Screening for problems with hearing or vision is conducted in the early years of schooling (Kindergarten and Pre Primary).

Medical Conditions
It is important that teachers are made aware of ALL MEDICAL CONDITIONS which affect your child. These should be noted on the Admission Card and a Medical Action Plan will be established for long term illnesses or diagnosed medical conditions. Please speak to your teacher or the school administration. Medical assessments of children are carried out by the School Health Services in Pre-Primary.

Medication
It is expected that children on medication will have this administered at home. In special circumstances where this is not possible or advisable, oral medication, prescribed by a doctor (if requested by a parent) may be administered by a member of the school administration. Any requests must be in consultation with the school administration. A record of such medication will be kept in the school. NO MEDICATION should be kept or administered by students other than asthma puffers. Please contact the school administration to complete the required School Medical Action Plan.

Infectious Diseases
Education Department Regulations exclude students with contagious diseases, these include measles, mumps, chicken pox, Impetigo (school sores). For further information please contact the school.

Long Hair
For safety and hygiene reasons, students – both girls and boys – need to keep their hair neat and tidy with shoulder length hair being suitably tied back.
If an outbreak of head lice occurs this reduces the risk of the lice spreading.
During sport, students must have their hair tied back. This is a safety requirement.

Dental Health
The School Dental Service provides dental treatment, at no cost, for school-aged children up to and including Year 11 students. Specialist treatment is not available but a referral to a specialist can be arranged.

Children from this school attend the Beldon Dental Unit at Beldon Primary School, Cnr Gradient and Pacific Way, Beldon 6027. Phone: 9307 1425
