Dear Parents / Caregivers,

We are excited to tell you about an upcoming Science Incursion on **Wednesday, 26th October** as part of our Science Themed Week at Mullaloo Heights Primary School. The incursion includes a Science Show, a workshop with hands on activities and a visit to the Scitech Spacedome which will be set up in the school Undercover Area. The purpose of the incursion and workshop is to enhance student awareness, interest, learning and participation in Science. The workshops themes are aligned with the Australian Curriculum.

We’ve been lucky enough to have this excursion partially subsided by the Mullaloo Heights P&C and they have contributed $4.00 per child. We thank the P&C for this very generous donation.

The cost to each student is **$4.00**. Please sign the permission slip below and return money to the class teacher by **Monday, 24th of October**.

Thank you,

Mr Adlam / Mrs Ameduri

Science Teachers
