Cross Country
The damp weather may have delayed the start of our annual Faction Cross Country Competition, but it didn’t inhibit the enthusiasm of our students. They had to curb their excitement until after lunch when the weather eventually cleared and the races could begin. Having already shown great patience with the long wait, our students proceeded to demonstrate values of determination and commitment as they completed the challenging and slippery running track. Clearly, we have some gifted runners at Mullaloo Heights who made this task seem much easier than it was in reality. I must say I am excited to see what they achieve at the Interschool Cross Country Competition. For those students who didn’t find this event easy, there was plenty of support from their peers. I enjoyed, as I am sure you did, witnessing the cheers for those students who came in last and the way in which their classmates ran alongside them for the last few metres. This empathy and support is indicative of the nature of students at Mullaloo Heights and is something we can be proud of as a school community. I would like to thank Mrs Thorby who once again organised such a great event. Despite the revised starting time, everything ran smoothly and it was an extremely enjoyable afternoon. It was lovely to see so many parents attending both the competition and the presentation of awards on Tuesday. Thank you – your support is very much appreciated by students and staff.

A Fond Farewell
Sadly, Mr Lionel Davids, will be leaving Mullaloo Heights at the end of this term. He has worked here as an education assistant for many years and is known for his gentle, but firm nature, as well as his commitment to providing the best learning environment for our students. During his time, he has supported a great number of individual students in achieving educational outcomes. In addition, he has made himself invaluable as a member of staff, taking a proactive role in our numerous sporting events and a starring role in our Book Week Play. To his credit, he has secured a permanent full-time position at Roseworth Ed Support Centre and we wish him well for this new challenge. We will miss him, but know that the new students he works with will appreciate him.

Reports
Teachers are busily writing end of semester reports ready to be given out to students at the end of this term. The grades students have been allocated in literacy and numeracy are the result of rigorous assessment and teacher moderation. Moderation takes place between groups of teachers from each learning phase and involves them comparing each individual student’s work to an agreed national standard. This is a lengthy process, but one that allows teachers to agree on what standard is required for each grade, thereby ensuring consistency across the school. Please note that grades differ on reports for junior and senior students; Junior students are awarded excellent, high, satisfactory or limited achievement, while seniors students achieve an A, B, C or D. Reports will be sent home on Thursday 30th June. If you need to discuss anything regarding your child’s report, please make an appointment with your child’s teacher.

A reminder to parents, that the Inter-School Lightning Carnival is being held at the Kingsway Sporting Complex on Monday, 20 June. Selected students from Years 4 – 6 will be representing our school in netball, soccer or AFL football. This is an all-day event, where students will be competing against other students from South Padbury PS, Padbury PS, Bambara PS, Mullaloo Beach PS, Ocean Reef PS and Hillarys PS.

Students are reminded to pack enough food and water for the day, wear their school uniform (No graduation shirts) and pack wet weather gear in case.

** It is highly recommended that students playing AFL and Soccer to wear a mouthguard!
