A Sad Farewell
By now, many of you will have heard the news that our wonderful deputy, Janine Moses, is leaving at the end of term. Currambine Primary School figured out what a great asset she is and promptly appointed her as their new assistant principal. Sadly, their gain is our loss. Janine has been at Mullaloo heights for almost 10 years, taking on a variety of roles throughout this time. These have included deputy principal, principal and class teacher. She is well respected by parents, staff and students and has made a real difference to our school. For me, personally, as a newly appointed principal, she has been a great support and a mine of information. I think you will all agree that she will leave a huge gap when she goes.
On behalf of our school community, I would like to thank her for her hard work and commitment to Mullaloo Heights over the past ten years. We wish her all the best in her new role and hope she enjoys the new challenges it will bring.

Uniform Survey
If you haven’t had a chance to visit the Cooking Room in Tern Block to view the samples for our proposed uniform change, please take the time to do so. We have samples from two suppliers available; one sample combines red with the traditional bottle green while the other combines it with a dark teal green. You can give feedback in 2 ways: via the online survey, which was emailed to all parents earlier this week, or by completing a feedback form and posting it in the Parent Box in the Cooking Room. Although the online survey gives an indication of colours, I do urge you to view the actual physical items if you can. This will give you a much better appreciation of the colour and fabric.

It has been great to see so many of you already engaging in this consultation process. We will let you know what the general feeling is from the community early next term when we have collated all feedback. The survey will close next Thursday, but written feedback can be given until the end of week 1, term 3. Happy voting!

Talent Assembly
Mrs Ameduri has been very busy over the last few weeks getting ready for our special talent assembly next week. Auditions are now complete and she is now helping students refine their acts ready for their stage debut. From what I’ve heard and seen so far, Mullaloo Heights certainly does have talent so I am definitely looking forward to seeing it on display. I am pretty sure there are a large number of proud parents feeling the same way. I do want to thank Mrs Ameduri for organising this event. She is a very talented teacher and passionate about music. Her teaching program really challenges students and gives them a true appreciation of this important art form. She has devoted much of her personal time to the students in order to organise the talent assembly and make it a success. This is truly appreciated by the students, staff and, I’m sure, parents. Thank you, Mrs Ameduri. We’re all looking forward to an entertaining Thursday morning next week.

P&C Disco
Thank you, once again, to our fantastic P&C. The Winter Wonderland disco was amazing. They transformed the Undercover Area, adding lights and decorations, making it barely recognisable. It created the perfect atmosphere for students to enjoy themselves, particularly as many had dressed as Elsa from Frozen. Thank you also to all parents who attended this event and helped supervise the students. Your combined efforts made this a very special evening for everyone.

Dear Parents,

This year Mullaloo Heights PS will be participating in the Woolworths Earn & Learn program. Through this program we will be able to get new educational resources for our school and all we need you to do is shop for your groceries at Woolworths.

From **Wednesday 15th July to Tuesday 8th September**, we are collecting Woolworths Earn & Learn Stickers. You will get one Woolworths Earn & Learn Sticker for every $10 spent (excluding liquor, tobacco and gift cards). Place the Woolworths Earn & Learn Sticker onto a Woolworths Earn & Learn Sticker Sheet and when it’s complete, the Sticker Sheet can be dropped into the Collection Box located in the school office.

At the end of the promotion, we’ll be able to get some great new equipment. The range is extensive and offers lots of items ideal for our students – including resources for Maths, English, Science and some fantastic fun supplies for Arts & Craft, Sport and for our library.
