The holidays are here and another term seems to have flown by. Term 3 was particularly busy; Book Week, the Athletics Carnival and a visiting artist from France being just a few of the highlights. Busy as it was, I think you’ll all agree it was extremely enjoyable, with students, staff and parents all working together to make it so. It is this supportive relationship between school and the local community that defines Mullaloo Heights. The parent body support and embrace everything we do, whether it be wearing a mad hat to the Mad Hatters Tea Party or cheering until hoarse at the Athletics Carnival. An excellent case in point is the transformation of our classroom doors. Our P&C, and Abby Syers in particular, politely persuaded DULUX to donate enough paint to give every door a fresh new coat of colour. By the time we return in Term 4, all doors will be rejuvenated thanks to this effort. In addition, all student toilets now have hand dryers installed, thereby ensuring students can wash and dry their hands in a hygienic manner. Again, this work was sponsored by the P&C. As a school, it is great to have the backing of hard working and enthusiastic parents who clearly prioritise the needs of our children. Thank you! It goes without saying that we will be calling upon your energy and enthusiasm for Term 4 as there are plenty of exciting activities planned. We’re already looking forward to Edu Dance, swimming and the West Coast Song Fest. I’m sure we’ll see you there.

Unfortunately, there is some sad news to add to this week’s newsletter. Mr David Drabble has been offered a permanent position as Deputy Principal at Neerabup Primary School, commencing in Term 4. This is an exciting opportunity for him and allows him to pursue his career aspirations. He has been a long standing member of the teaching staff at Mullaloo Heights and is well respected in the community. He will be sorely missed, but we wish him well in this new phase of his life. We are sure he will do a great job at Neerabup. For Term 4, Mrs Alice Vickers will take on the teaching role in Room 11.

Please note that we have only one School Development Day next term, which falls on Monday, 12 October. Students do not attend school on this day.

Have a great break everyone and see you back at school on Tuesday, 13 October.

Caroline Booth
Principal
ZooWhiz Learning Home Access Discount Cards

Our school is participating in the ZooWhiz Learning Community Subscription Plan.

Through the Community Subscription Plan our school now has FREE access to ZooWhiz Learning (www.zoowhiz.com) during school hours. Parents are able to access ZooWhiz at home at a very special price by using the Home Access Discount Card at the price of $29.95 instead of the full price of $89.95.

ZooWhiz is the new, intelligent, automated online learning system that enables you to support your child’s progress in maths, spelling, word skills and reading.

Please note: The ZooWhiz Learning Home Access Discount Card must be used to activate a subscription by Monday, 9 November 2015 as it will expire after this date.

The ZooWhiz Home Access Discount Cards have recently been distributed to children. If you are unable to locate yours then please contact the office.

Mr Drabble’s
Brain Busters

Puzzle 1:
What can travel around the world while staying in a corner?

Puzzle 1 Answer:
A stamp

Puzzle 2:
Can you find a five digit number which has no zeros nor ones in it and no digit is repeated, where:
The fourth digit is a quarter of the total of all of the digits.
The second digit is twice the first digit.
The third digit is the largest.
The last digit is the sum of the first two digits.

Puzzle 2 Answer: 24976.

Remember the question stated that the number contained no zeros nor ones.
Family Health – *Motivation from Anytime Fitness Beldon*

With only **10 weeks until Summer**, keeping fit with the family on the weekends is a great way to take advantage of the beautiful weather before it gets too hot! Here are our TOP TIPS to make the most of a healthy weekend:

- Walk/bike instead of drive to your destinations
- Make every weekend an adventure! Whether it be just going to the beach, planning a family hike, or having a picnic in your own backyard can benefit your overall fitness without even feeling like you’re working out as well as boosting your overall mental health by being outdoors and doing something new!
- Involve your kids in your own work out routine. Spice up a training routine by play wrestling with your kids, putting them on your back while you do push ups or a hold a plank, or racing them on the beach or up dunes.

Looking for more ways to feel healthier all week long? Don’t be shy to contact us for help or motivation 😊

Email us at beldon@anytimefitness.com.au or ring 9403-3112 and mention you’re a Mullaloo Heights Primary parent for a **FREE 2 Week Membership Voucher**.
Bonjour Perth French Festival

Langley Park, Saturday 24 October 2015

All main cities on the east coast have been running their own French festival with great success for many years. Exciting News, Perth à la Carte will be co-hosting the Bonjour Perth Festival, the first French Festival in Perth!

The festival is the perfect match with Perth à la Carte purposes, encouraging people to discover the beauty and diversity of French speaking countries & businesses.

The Festival is aiming to encourage Perth residents to discover and enjoy French speaking countries’ culture.

The event will offer:

- live music and entertainment;
- cultural performances;
- food & wine tastings;
- cooking masterclass;
- a French style food and products market;
- a car show featuring vintage and new French cars;
- kids activities and French patisseries and candies;
- information on various French regions; and
- information how to find French speaking businesses and associations in Perth.
Fun sports-based program at Edith Cowan University. Open to the community.

ECU Kids Holiday Program

This exciting program is fun for children and extremely good for them. We focus on giving kids as much sporting experience as possible! Activities are structured and supervised by experienced and skilled staff.
