Welcome back to what is already proving to be a busy and exciting term.

We started this week with the Cross Country Competition and finished with the Interschool Athletics carnival. The selected students were great ambassadors for Mullaloo Heights, demonstrating both their sporting prowess and the outstanding values that define our school. Well done to the students, who participated in these events. Your determination, enthusiasm and sportsmanship were impressive. Also, thank you to teachers and parents who organised and supported these events.

Edu-Dance lessons also began this week. The students will be working towards a special dance presentation that will take place on the evening of Tuesday 15th December. This performance will form part of the Book Awards Ceremony and will begin at 7:00pm on that evening. Make sure you add this date to your dairy.

I’d also like to welcome to Mike Adlam our new deputy principal, who joined us this week. Hopefully, you have had a chance to say hello at some point and can now put a name to a face.

Class Structures for 2016

Later in the term, we will be organising classes for 2016. When placing students, teachers will take into account educational and social needs to ensure that classes are well balanced and provide an effective learning environment for all. If you have a request regarding the placement of your child and it is based upon an educational reason, please put this in writing and forward to me before Friday, 6 November. All requests will be considered, but as we are a small school, they cannot be guaranteed.

Open Night

Make sure you take the time to review your child’s progress at our forthcoming Open Evening – Wednesday, 28 October. Classrooms will be open from 6:00 -7:00pm.
School Uniform Update

Our new school uniform is progressing well and orders for 2016 can now be placed. Just visit the shop at Uniform Concepts, 3/86 Winton Rd, Joondalup and try the generic items on for size. Once the correct size is ascertained, please place your order. Generic sizes are currently available in all items, apart from the skirt. This has been delayed slightly as the fabric needed to be specially dyed to create the correct shade. This should be available in the next few weeks. We will keep you updated.

Note: Uniform Concepts is open Monday – Friday, 9:00 – 5:00pm (Thursdays 9:00 – 6:00pm) and on Saturdays, 9:00am– 1:00pm. They can be also contacted on 9270 4660.

Caroline Booth
Principal

School Banking News

School Banking is looking for volunteers in 2016 – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a volunteer School Banking Co-ordinator to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is Wednesday.

If you have an interest in volunteering for this great program please come and see us on a Wednesday morning in the undercover area and speak to Abby or Sam or Astrid.
